This will be your chance to ask these questions and exchange those ideas which are of particular interest to you.

Our list of speakers will include such notable persons as:

Besides being one of the most outstanding Witches of our time, her vast knowledge of the occult has made her one of the most sought after speakers in the country. Though her in-person appearances nowadays are very rare indeed, we are proud that this grand lady has agreed to speak at the Seminar.

KOMAR, renowned Hindu Fakir and lecturer. Komar holds several world records which appear in the Guinness Book of World Records for doing such things as lying on a bed of nails while supporting more than 1,000 pounds on his chest, and walking over fires hotter than anyone else. His amazing abilities in mind control are the constant wonder of scientific experts.

BILL FINCH, past president of the American Douwers' Association and notable authority on the use of pendulums, will provide fascinating insights into the world of mentalism. He will enlighten you with his valued understanding of colors and their influences, along with his concepts of mentalism versus ESP. He is presently rated at the top of his field in this country.

Besides these outstanding guests, there will be other speakers conducting workshops and answering your questions. Also there will be booths open where you may purchase those particular items you may have been looking for but have been unable to locate.
